What's up?! Today is the day! Our #SayHerName week of action has officially begun! We cannot afford to ignore or make light of the state and state-sanctioned violence that particularly affects Black women and girls. We #SayHerName because not only does the impact on Black women and girls go ignored but our liberation depends on keeping black women, girls, and femmes safe. And that means engaging in difficult conversations about racialized gender and sexual relationships in America and...
In a narrow 5-4 decision, the Supreme Court in #HustedvAPRI have unfortunately approved Ohio's voter suppression tactics, allowing the state to target infrequent voters for removal and to deprive them of the fundamental right to vote.

Supreme Court upholds Ohio’s way of removing infrequent voters from rolls

The justices ruled 5 to 4 that the state’s process does not violate federal law.

VIDEO: Chop Suey was invented by immigrants in the US during exclusion and helped to make Chinese food less "threatening" to white Americans. Their efforts paid off, and the number of Chinese restaurants doubled in San Francisco between 1910 to 1920. The popularity of restaurants made Chinatown a destination, helping to preserve the community when city leaders attempted to push Chinese residents out.
