Rite Aid Negotiation Update
Rite aid has given their most recent economic and language proposal which will devastate our current contract. Get ready to fight back. • Rite Aid has proposed what amounts to a wage freeze for most members • Company health plan worse healthcare that is more expensive • Reduce the amount of full time positions in the store • Only $.25 wage increase for pharmacists • Fewer protections against layoffs. Talk to your Union Rep to get involved. For more...

Rite Aid Negotiation Update
Management wants to take away your union health care plan and put you into a plan they control instead.

Say hello to Devon Crick, the Development Coordinator at Broadbent Institute. The Broadbent Institute is Canada’s leading progressive, independent organization championing change through the promotion of democracy, equality, and sustainability and the training of a new generation of leaders. #ufcw1006a #ufcwmember #unionmember
"In his first seven years in office, Gov. Scott Walker presided over an increase of 213,000 private-sector jobs in Wisconsin, short of the 250,000 new jobs the Republican promised in his first four years."

Walker misses goal of 250,000 new private-sector jobs in his first seven years in office

Wisconsin adds 213,000 new jobs in governor's first seven years but still lags the national growth rate.
