Web of elite Russians met with NRA execs during 2016 campaign. NRA representatives and Russian officials dined together multiple times in Moscow during the 2016 election, a new report from McClatchy reveals. The news comes amid the Justice Department's reported investigation into whether Russian banker Alexander Torshin illegally funneled money to the NRA to contribute to its record-breaking campaign expenditures in support of Donald Trump. Besides Torshin, NRA officials also met with...
